Acknowledgement

When the Newfound Baptist Association was dissolved most of the Churches joined the French Broad Baptist Association. While I was working on a history of my Church, Union Baptist, trying to list the Pastors as far back as I could I contacted the French Broad Baptist Association. I was happy to hear that they did have the remaining records of the Newfound Association. These records were in 2 boxes on a top shelf. I wanted to preserve these records for future generations. To the best of my knowledge these books contain all the records that exist from the Newfound Baptist Association. I hope that they are a help to you. Be sure to check out the "History of the French Broad Baptist Association" in the OBCGS bookstore.

I would like to thank the French Broad Baptist Association for allowing me to preserve these records and for all their help.

In Memory

This set of books are done in memory and honor of the many Pastors, Preachers, Deacons, Moderators, Clerks, and Lay Members who held this together and passed this down to me.

WHOSE GARDEN?

I own a garden.
I plant and I hoe,
But I've a partner
I think you might know.
He mixes the seasons
And ripens my seeds.
For His own reasons
He adds a few weeds.
He gives me sunshine
And showers and soil,
Sparks my ambition
And ardor to toil,
Smiles at my pride in
The things I have grown
And when I speak of
The garden "I" own.

PERIODICALS REPORT

Today we as Baptist people should be the most informed people of all ages because of different media. One is our periodicals - - to name a few, Biblical Recorder, Charity and Children, Facts & Trends, Church Leader, Baptist Home Bulletin, The Baptist Program, etc. These various publications cover events and programs of North Carolina Baptists as well as the entire southern Baptist organiqation. These all can be very informative when read with an open mind, but let us remember they can never take the place of our preachers and teachers and, most of all, the Bible which is by far the most informative book of them all. Let us as the New Found Association always resort to it first.

Respectfully submitted,
Van Profitt

TEMPERANCE REPORT

Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise. Prov. 20: 1.

The dimensions of alcohol use among teen-agers is appalling. "U. S. Government statistics indicate that we now have 3.3 million American teenagers with serious drinking problems. What is their favorite alcoholic beverage? Beer. Further-more, some 8,000 young people are killed each year in alcohol-related traffic accidents, and another 40,000 are injured or disfigured in drunk driving crashes. Counting vandalism and other crimes in addition to drunk driving, alcohol-related arrests have doubled for boys under 18 and tripled for girls, in the last five years." The Charlotte Pritchard Memorial Baptist layman revealed.

We all pay through higher insurance rates, taxes, hospital bills, and property damage, The greater pay is children without food, clothing, shelter, and love of their parents, innocent people loosing their lives, and lost people snuffed out into eternity without God.

Let us all pray and do all we can to defeat this tool of the devil.

Respectfully submitted,
Clifford L. Cable

BAPTIST HOME REPORT

The past associational year Larry Plemmons and I sent all the churches in the New Found Association letters and post cards announcing the harvest night which was held at the home for the aging in Asheville on Wednesday night before Thanksgiving. Liberty, Lusk Chapel and Zion churches were present. We had a good spiritual service and enjoyed a treat of cookies and drinks following the service. The pounding of food and money was around $700.

Also, Larry Plemmons and I mailed out letters to all the churches in the New Found Association asking them to try to raise a garden or the "Lord's Acre" of vegetables for the home for the aging. Liberty and Zion churches went in together and raised one acre of vegetables. Of today, we have taken in ten loads of produce valued at $1,429.53.

Gifts other than the above mentioned from churches and individules in the New Found Association total $4,090.25.

Respectfully submitted,
Floyd Waldroup

ASSOCIATIONAL MISSIONARY REPORT

Due to sickness I regret not being able to visit all the churches in the association. I visited 12 churches and held a revival at New Hope. Offerings were $870.

1981 REPORT TO THE ASSOCIATIONS
CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

We are praising the Lord for some victories that He has shared with us this year, as well as other developments in total perspective of our work.

I. On January 1, 1981, Coy C. Privette began as our Executive Director upon the retirement of D. P. McFarland who had served for 20 years in this capacity.

II. It has been a privilege to assist in four campaigns already this year:

1. Lumberton defeated an ABC liquor referendum:
2. Blowing Rock defeated a liquor-by-the-drink referendum:
3. Marion defeated a beer referendum: and
4. Old Fort also defeated a beer referendum.

III. The League was involved in its most extensive legislative program in its entire history. There were some victories: some defeats: and some delays. A brief review of these follows:

1. Senate Bill 128 and House Bill 230: DRUG PARAPHERNALIA ACT- To prohibit the manufacture, delivery, sale, possession and use of drug paraphernalia. RESULT: Enacted into Law.

2. Senate Bill 324: AN ACT TO DECRIMINALIZE MARIJUANA UP TO FOUR OUNCES (160 - 240 joints) 5 Trustees appeared before the Senate Committee opposing the measure. Sent to a subcommittee that recommended a study committee to re-examine marijuana laws. RESULT: Senate Appropriation Committee Refused to Fund the Study Committee.

3. Senate Bill 463: AN ACT TO GRANT LIMITED DRIVING PRIVILEGES TO THOSE REFUSING THE BREATHALYZER. League President appeared before the Senate panel opposing the measure that would basically destroy our implied consent law. RESULT: Bill was never reported out of the committee.

4. Senate Bill 295: AN ACT TO REPEAL ADVERSARY HEARING IN OBSCENITY LAW. The measure overwhelmingly passed the Senate, but ran into trouble in the House Judiciary Committee I. RESULT: Established a Legislative Research Committee To Study Obscenity Laws.

5. Senate Bill 451: AN ACT REQUIRING PARENTAL NOTIFICATION PRIOR TO PERFORMING ABORTION ON MINOR. Cleared Senate Judiciary Committee but ran into trouble on the Senate floor. After 12 amendments, it was finally approved and sent to the House where it went to a hostile committee. A House subcommittee gave the proposal an unfavorable report. RESULT: House Judiciary Committee III adopted its subcommittee's recommendation for an unfavorable report.

6. Senate Bill 589: AN ACT TO PROHIBIT OPEN BEER OR WINE CONTAINERS IN MOTOR VEHICLES. The measure passed the Senate with a strong vote, but it was stalled in the House ABC Committee. RESULT: Will be before the House in the mini-session, June 1982.

7. Senate Bill 191: AN ACT TO ALLOW COUNTIES AND MUNICIPALITIES TO PROHIBIT OR REGULATE THE PUBLIC POSSESSION AND CONSUMPTION OF BEER AND WINE. Even though a Senate ABC Subcommittee gave the measure an

unfavorable report, it was overturned by the entire committee and sent to the Senate floor and passed with no opposition. RESULT: It is in the House ABC Committee and will be considered in the June, 1982, mini-session.

8. Senate Bill 320 and House Bill 247: AN ACT TO AMEND THE CONSTITUTION TO RESERVE TO THE PEOPLE THE RIGHT OF INITATIVE AND REFERENDUM. Cleared the Senate Committee on Constitutional Amendments RESULT: Failed by one vote to obtain the necessary 3/5ths margin.

9. Senate Bill 664: AN ACT TO ESTABLISH A STATE-WIDE REFERENDUM TO RAISE BEER-WINE DRINKING AGE FROM 18 TO 21. Gained an unanimous vote in the Senate Committee on Election Laws. Ran into trouble on the Senate floor due to a projected loss of $4 million in revenue due to reduction in sales if enacted. RESULT: Sent to Senate Finance Committee. An effort will be made to get the bill reported out of committee at the 1982 mini-session.

10. Senate Bill 59: AN ACT TO INCREASE TAXES ON ALCOHOLIC BEVERAGES. This measure was intended to provide revenues for the highway fund in lieu of a gas tax. A committee substitute was presented to provide for a lesser tax increase to generate revenue for the General Fund to replac funds transferred to the Highway Fund. RESULT: Bill is stalled in the Senate Finance Committee and will be considered in the Fall Budget Session

11. House Bill 513: AN ACT FOR A STATE-WIDE REFERENDUM ON BEVERAGE DEPOSIT LEGISLATION (THE BOTTLE BILL). Ran into tremendous opposition from the beer and beverage industry along with the manufacturers of bottles and cans, convenient and super marker operators. RESULT: Killec in House Small Business Committee.

12. House Bill 9: AN ACT TO RE-WRITE ABC LAWS. This was the report of a Legislative Study Commission that re-wrote the ABC laws. RESULT: Removed a provision that would have allowed liquor billboard advertising and included that the 50 ' restriction of an outlet to a church or school be applied also to an off-premise license.

13. Senate Bill 591: AN ACT TO PROHIBIT LIQUOR SALES IN SATELLITE ANNEXED AREAS. This measure was directed to prohibit establishments in dry areas from being annexed to a wet area in order to sell alcoholic beverages. RESULT: Died in Senate ABC Subcommittee.

14. House Bill 1239: AN ACT TO PROVIDE FOR FORFEITURE OF MOTOR VEHICLES USED IN COMMISSION OF THE OFFENSES OF DRIVING UNDER THE INFLUENCE AND WRECKLESS DRIVING WHILE INTOXICATED. This measure would allow the courts to confiscate a motor vehicle and be sold at public auction if driver had been convicted of DUI and driving with a revoked license. RESULT: Postponed indefinitely by House Judiciary Committee.

Respectfully submitted,

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

1981

Again this past year, the Biblical Recorder has reminded us all of the value of good church-pastor relations. This is just one of many subjects the Recorder seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The Recorder is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The Recorder also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The Recorder was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there--a front row seat, as it were, for only 7¢ (cost of one Recorder).

When people know the truth--and truth must be spoken in love--we have a better convention, better churches, better associations and better individual Christians. The Recorder is the instrument of communication that keeps us closer together as Baptists.

If you are not receiving the Recorder, you are mission something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

J. Marse Grant, Editor
Biblical Recorder

CHILDREN'S HOME REPORT

I have been priviledged to visit the Broyhill Home on various occasions and have found the home a place where children can find the feeling of being loved. The houseparents that I have had the opportunity to talk with, seem to have the true Christian love that is needed to care for these children. I feel that they get the needed Christian love and guidance they crave. With this love and guidance these children can grow up to be true Christians in the work of the Lord.

I regret that I have not been able to visit the Broyhill Home this year but wish the Home much success and may God Bless them.

Harold D. Davidson

BAPTIST HOSPITAL REPORT TO THE ASSOCIATION

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes - making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short term mission assignments during the past year - many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457, 459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

MISSIONS REPORT

We ask ourselves sometimes "What is the Mission of the Church?" What can we do as a Christian, working for the cause of Christ?

The word of God compels us as servants, "to go out into the highways and hedges and compel them to come in." We have a job to do, a purpose in life as a Christian. God saved no man to sit down and do nothing. When we're hired to do a job and we sit down, we don't hold the job for long. I wonder if that's what's wrong with a lot of we church members today. God has turned away from us and we're sitting around wondering where the power is.

We have many missions in this walk of life. One is to work and strive to see our lost saved. Another is to see and care for our widows, orphans, sick, and hungry people. It is not the preachers job to do these duties but the church members. If we're saved, we're part of this body we call the church. Before we worry ourselves sick over other countries' needs, let us concentrate and worry over our own people. How can we spread something abroad that we can't share at home? If our people can't see Christ in our walk of life, we don't have anything for them to see because Christ is not living within our life.

We're proud of the women of our Church. Every Monday morning they find time to visit homes in and around the community, read God's word, and pray. The spiritual power has really grown since then. I pray that each individual would seek to find his purpose in this work for Christ.

Our people are starving for the spiritual food of this life as well as natural food. Let's combine our efforts as members of the Newfound Baptist Association and strive to work together. Let the lost see us as the church working together for the welfare of our lost community that they would desire to be saved. When we have accomplished this great task, I'm sure God will let us move our efforts into foreign fields. I'm thankful for all our Missionaries that are in the field working for the cause of God.

Respectfully submitted,

George Shipman

I got up early one morning and
rushed right into the day;
I had so much to accomplish that I
didn't take time to pray.
Problems just tumbling about me,
and heavier came each task;
"Why doesn't God help me?"
I wondered.
He answered: "You didn't ask."
I wanted to see joy and beauty —
But the day toiled on, gray and bleak;
I wondered why God didn't show me,
He said "But you didn't seek."
I tried to come into God's presence,
I used all my keys at the lock.
God gently and lovingly chided:
"My child, you didn't knock."
I woke up early this morning and
paused before entering the day;
I had so much to accomplish
That I had to take time to pray.

We as Baptist People have agreed according to the church covenant to religiously educate our children. This should include scripture reading, prayer and good council at home as well as at church on Sundays and Wednesday nights.

PERIODICAL REPORT

"When wisdom entereth into thine heart, and knowledge is pleasant unto thy soul; Discretion shall perserve thee, understanding shall keep thee." Prov. 2: 10-11 In many instances we are reminded by the scriptures, "Be not ignorant" or "I would not have you ignorant." For this cause the word of our Lord was preached, "Yes verily their sound went into all the earth, and their words unto the ends of the world."

It has been the purpose of the dedicated christian to inform the world about this great salvation. Among those who rank the highest in achieving this goal are Baptist. We are informed regularly of the work of the Baptist people and other news that may concern us in our labor for Christ.

This year marks the Biblical Recorder's one hundred and forty eighty volume. Almost a century and a half of publication. It is published forty times per year on a weekly basis, except during the first week of the month. Individual subscriptions are $5.50, but the church budget plan in only $4.00.

Another newsletter, Charity and Children, is celebrating 95 years this year of continuous publishing for Baptist Child Care in North Carolina. John Mills published the first edition July 12th, 1887. Mr. Mills had at one time owned and edited The Bibical Recorder.

Other periodicals available to North Carolina Baptists are: The Commission, Baptist Homes Bulletin, and Home Missions and Church Leader. These are but a few of the vast amount now available to North Carolina Baptist.

Respectfully submitted,
Rev. Billy Brown

BAPTIST HOSPITAL
Report to the Association
1982

Believing that North Carolina Baptists have a right and a responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method uses less radiation and requires less time and can sometimes be done on an out-patient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "oncall ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of

63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of services provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic preassures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Respectfully submitted,
Rev. Calvin Knight

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION

1982

Workers change but the work goes on. This is the simple message from the Biblical Recorder this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the Recorder from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, Church and State.

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the Biblical Recorder, primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The Recorder has been through hard times before and will made it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new Recorder editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

1982 Report to The Association
North Carolina Baptist Homes, Inc.

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provice much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804., provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

Missions Report
New Found Baptist Association

The theme for the North Carolina Baptist missions offering this year is "Hope is something you give..... when someone needs your love." The apostle John wrote in I John 3:17 "But whoso hath this worlds good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?" As a gesture of the love Christ has given us, the subject of a brother in need arose at one of our Pastor and wives suppers in January of this year. As a subsequent effort, fourteen (14) churches of the New Found Baptist Association came together with a love offering for the Rev. John White, Pastor of Antioch Baptist Church, and his wife Edith who had spent several weeks in the hospital accumulating a very large bill. The offering came to a total of $1439.86 if no mistakes were made. I think this is a fine example of what Christ expects us to do in a time of such a need. We also have other mission needs that are continually facing us, such as the Baptist Childrens Home, Home for the aged, and our Baptist Hospital I certainly hope we will remember the challenge Christ gave us through the Apostle John and therefore be a cheerful giver.

Submitted by,
Rev. Garry L. Rogers

Note: The difference in the offering of this report and the treasurers' report are some direct gifts from churches that did not go through the association clerk.

TEMPERANCE REPORT

"Be not drunk with wine, wherein is excess; but be filled with the Spirit." Ephesians 5: 18 We wish we could report a decrease in alcohol and drugs being used, but it is increasing every day. Our only answer for this problem is Christ. Be filled with the Spirit. If it is wrong to drink, it is wrong to not be filled with the Spirit of Christ. Jesus Christ is the answer.

Respectfully submitted,
Rev. Illiff Suggs

The Beatitudes

Blessed are the poor in spirit: for theirs is the kingdom of heaven.

Blessed are they that mourn: for they shall be comforted.

Blessed are the meek: for they shall inherit the earth.

Blessed are they which do hunger and thirst after righteousness: for they shall be filled.

Blessed are the merciful: for they shall obtain mercy.

Blessed are the pure in heart: for they shall see God.

Blessed are the peacemakers: for they shall be called the children of God.

Blessed are they which are persecuted for righteousness sake: for theirs is the kingdom of heaven.

Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.

Rejoice, and be exceedingly glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

1983 REPORT TO THE ASSOCIATIONS
ON THE
NORTH CAROLINA BAPTIST HOMES, INC.

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totaled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity ares, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

W. A. Poole
Executive Director

TEMPERANCE REPORT

We as Christian Baptist have agreed to distain from the use and sale of any intoxicating beverage. To fail to vote against or pray against is just like voting for it. We as Christians are not doing our jobs.

For every $1.00 spent on intoxicating beverages it costs the state about $4.10 in expenses. Do you want this to be more? Then do not fail to pray and vote no.

Rev. Iliff Suggs

EDUCATION

Education could be defined as the process of acquiring knowledge. A process that begins at birth and should continue until death. Every generation of man has approached the world and its surroundings as a babe, eagerly grasping for the knowledge he can attain from those nearest, and willing to provide. Children should find instruction in the home, among the family. "Train up a child in the way he should go, and when he is old, he will not depart from it." (Prov. 22:6) Any Baptist who ever dared to read his church covenant, is aware we are to religiously educate our children. Unfortunately, all children do not have a Christian home and family.

Many of life's hidden mysteries can be revealed in the local scriptural church. The sermon on the mount, is a model lesson to acquire instruction from and can never be surpassed by any man. Without the knowledge of Christ, no man can ever really and thouroughly be educated. Perhaps as Paul stated: "Ever learning, and never able to come to the knowledge of the truth." (Tim. 3-7)

Many Baptists have contributed to the education of our young people in public schools. Many born again teachers have had a tremendous influence on the lives of children and young adults in the public school system. In spite of the fact that prayer is no longer allowed in the public school, Christian teachers, by their life and testimony, have been, and will continue to be effective in the cause of Christ. Through the prayer and action of Christian people, voluntary prayer may yet return to the public school system.

Since it first organized in 1830 in Greenville, the Baptist State Convention has had a keen interest in the education of North Carolina people. The first and most important mission has been and should forever be to bring the knowledge of Christ to every man. Without Him every knowledge and degree attained in the world is insufficient.

A man with very little education according to the standards of the world is by no means ignorant, if he has the knowledge of the ever-present Christ in his heart. By the same token, he who has a wealth of degrees and does not know Christ is ignorant of lifes most precious knowledge. In fact, it is quite possible that one could put too much trust in his degrees and thereby become proud, which can separate God and man.

Continued.

But this does not have to be the case, as we Christians can understand. Education coupled with the humility of a devoted Christian can lead to a life of useful service.

Consider the Christian Physician, who can also be a comfort and supplier of hope to the ill or dying patient. The Nurse who knows the value of prayer. The Judge who councils the guilty about the great Judge of all the earth who is known for his mercy. The teacher who instructs and disciplines her class in the compassion and love of God. Perhaps this is why "Baptists colleges encourage students to build an education on the foundation of faith in the Establisher of all truth and knowledge." (1)

"North Carolina Baptists have five colleges and two universities with more than 16,000 students currently enrolled. At present there are 807 students pursuing church related vocations: 1,314 teaching: 348 in social work: 1,329 in medicine (including nursing, allied health), 961 in law." "An average of 67% of the students in the seven schools received some form of financial aid last year. The colleges budgeted $4,715,000 for such assistance." (1)

PERIODICAL REPORT

In the book of Joel chapter 1 verse 3 the Prophet writes,"Tell ye your children of it, and let your children tell their children, and let their children another generation." In the scriptures it is made clear that we should not be ignorant. We also are to know them that labor among us.

North Carolina Baptist are well informed by various periodical reports. These papers inform us of all aspects of Baptist work at home and in foreign countries.

One of the oldest is The Biblical Recorder. It is the fourth oldest state Baptist paper. It was founded in 1833 by Thomas Meredith. It is published weekly except for the 2nd week in June, 1st and 3rd weeks of July and August, and Christmas

Other periodicals are Chairty and Children, published twice monthly for 96 years, the voice of child care in North Carolina.

Facts and Trends sent free each month to pastors and church staff workers by The Sunday School Board. The Commission published monthly except for 3 double month issues. The Baptist Homes Bulletin, published 4 times a year, Baptist Hospital Topics, published quarterly, Church Leader, published quarterly, Baptist Peacemaker published 4 times per year, Tomorrow published monthly except for July and August by The Christian Action League of North Carolina. We as North Carolina Baptist should be thankful for this great supply of information concerning Baptist work.

Respectfully submitted
Rev. Bill Brown

TEMPERANCE REPORT

Pro. 20:1 Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise.

One of the steps that is being taken as a national move is the drinking age law. If we will favor the mandatory sentence of all offenders and meanwhile present Christ to each of them, I am sure there is room to improve.

Let us pray and work together.

Rev. Illiff Suggs

I can do all things through Christ which strengtheneth me. Phil. 4:13 (K.J.)

PERIODICAL REPORT

One of the oldest and best means of communication was by letter. God spoke to men of old by the Holy Ghost, and these men wrote the Scriptures. These sayings and commandments have been preserved and handed down from one generation to another. By these truths we obtain knowledge of Christ who died for us.

The princes of this world are without the wisdom of God. For had they known it, they would not have crucified the Lord of Glory.

Truly it would be sad to be ignorant of God's love. Far worse is the man who is willingly ignorant and refuses to learn when the opportunity is given.

Baptist people should be thankful for the vast amount of information made available to us by various periodical reports. Some of these are the following.

The Biblical Recorder - Founded 1833 with over 150 years of service. It is the fourth oldest Baptist state paper published weekly.

Charity and Children - Published 20 issues annually by The Baptist Children's Homes of N. C. with 97 years of service to it's readers.

Facts and Trends - Published monthly by the Sunday School Board.

The Commission - Information on Foreign Mission work and published monthly except for 3 double month issues.

The Baptist Homes Bulletin - Published quarterly

Church Leader - Published quarterly

Baptist Peacemaker - Published quarterly

Baptist Hospital Topics - Published quarterly

S B C Today - Dealing with national news concerning The Southern Baptist Convention, published monthly.

BAPTIST HOSPITAL

REPORT TO THE ASSOCIATIONS

1984

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in prenatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15% reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertibral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology. It uses ultrasound to break up stones of the urinary tract so that surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

Every day I will bless thee, and praise thy name for ever and ever. Great is the Lord, and greatly to be praised, and his greatness is unsearchable. Psa. 145: 2,3 (K.J.)

EDUCATION REPORT

Proverbs 1 & 7: The fear of the Lord is the beginning of knowledge. When we think of education, we think of schools, books and learning. Saul which is called Paul was a highly educated man brought up at the feet of and taught by Gamaliel a doctor of the law. He persecuted the church though he had great knowledge. He later had an experience with Christ and obtained a Christian education.

Christian education is the most important education that one can get. It can only be obtained through believing God, prayer, and personal experience with Christ.

As we read the word of God in Acts 4, verse 13 we find that Peter and John were perceived to be ignorant and unlearned men. Yet the people marveled and took knowledge that they had been with Jesus and gotten a Christian education.

To be a Christian is to be Christ like. To be educated is to have an experience with Christ.

MISSIONS REPORT

The Women Missionary Union is the leading supporter of our Southern Baptist Missions. According to the June edition of the Biblical Recorder, the responsibility for missions should be shared by more of our Southern Baptist Churches.

Three of the institutions that are directly helped by missions are: The Baptist Hospital, The Baptist Retirement Homes, and The Childrens Homes. All three need our help through the support of our missions program.

Our missions program was also a great help when the tornadoes hit some of the eastern counties of North Carolina March 28th. They helped by organizing food service, clothing, and $118,650 from the Baptist State Convention. Our missions program could greatly use our support to help these and others who are in need.

"The Praying Hands"

The "Praying Hands" are much, much more
than just a work of art,
They are the "soul's creation" of a deeply thankful heart
They are a Priceless Masterpiece
that love alone could paint.
And they reveal the Selflessness of an unheralded saint
These hands so scarred and toilworn, tell the story of a man
Who sacrificed his talent in accordance with God's Plan
For in God's Plan are many things man cannot understand,
But we must trust God's judgment
and be guided by His Hand

BAPTIST CHILDREN'S HOMES' REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day", the centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book", a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, A Hundred Years of Caring, an updated history of the Homes. Baptists from across the State submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring", was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

An update from the Western Family Services Area reveals the following highlights:

The emergency care shelters at Forest City and on the Broyhill Home Campus, as well as the maternity home in Asheville are operating at capacity level.

During the first year into our second century of quality child care, the Moody Farm Ministries in Macon County will open its doors to troubled children and youth.

I can do all things through Christ which
strengtheneth me. Phil. 4:13 (K.J.)

We are grateful for the many friends who have given liberally to enable us to begin the Moody Ministries. Our first building will be debt free.

We challenge the Baptists of Western North Carolina to continue the task of developing resources to maintain this ministry.

MISSIONS REPORT

Churches are Heaven's appointed agencies for the salvation of men. The mission of a Christian Church, therefore, is to a world lying in wickedness, to men dead in trespasses and sins, as the bearer of glad tidings to prisoners of hope, and herald of the great salvation to lost men. In order to accomplish this, the Church must sustain a suitable spiritual condition, and maintain itself in the faith and discipline, the order and ordinances of the Gospel. Indeed, for this cause Christ gave Himself for the Church, "that He might present it to Himself a glorious Church, not having spot or wrinkle, or any such thing: But that it should be holy and without blemish." A carnal, selfish, worldly minded Church can never perform this holy mission: Is neither worthy of it, nor fitted for it.

The responsibility of a church is both corporate and personal. As a body it is bound to make its influence felt far and near. The body will be what the individuals which compose it make it to be. Each member, therefore, should strive to be and to do what the entire Church ought to be and to do, "the light of the world and the salt of the earth, a city set on a hill, that cannot be hid." There is a work for all, and work adapted to the condition and ability and capacity of each, however weak and humble. Old and young, great and small, male and female, have something to do, if there be a heart and mind to do it. The world is the field, whose bounds extend beyond home, and county and kindred. The bounds are the ends of the earth. Begin at home, but do not stop till all people are reached, and every creature taught the way of life through Christ crucified. Each church and each individual should feel his obligation to aid in sending the Gospel to the destitute the world over. That was Christ's purpose and design. For that He died. Those who have His spirit will strive to carry the work He began. Every Church and every disciple is under bonds to Christ to aid in carrying out, and fulfilling the great commission, "Go into all the world, and preach the Gospel to every creature." No church can hope for prosperity at home unless it strives to give the means of salvation to all men. We have our missionary societies, for both home and foreign missions. The churches are needed to give these societies their sympathies, their prayers, and their generous financial support. Thereby they help to give the knowledge of Christ and salvation to those beyond the reach of their individual endeavors. The success which has attended the missionary work of Baptists, both in our own country and in foreign lands testifies to God's blessing on the work. May we also as churches and individuals in the New Found Association not only say "Amen", but also Obey the command of the Great Commission.

EDUCATION REPORT

WHAT IS CHRISTIAN EDUCATION?

Our Answer to this question is that it is the searching out of hidden knowledge that has never been brought to the attention of the student, whether they be in school, church, home, or wherever. The knowledge of the scripture has always been there, ever since Christ directed it be written, but to obtain that knowledge and put it to practice in our churches, in our every day lives, and to instill it in our society is one of the greatest tasks set before us as christian educators, whether we be pastors, sunday school teachers, parents, or college professors.

Then when we have been educated, it is for us then to take the knowledge and the ability God has given us, and put it to work for the Lord.

We have five colleges and one university supported by our convention through the cooperative program. Campbell University, Chowan College, Mars Hill College, Gardner Webb College, Meredith College, and Wingate College. There is also one University supported by churches who earmark their funds to be sent to that institution, namely Wake Forest University We also have Fruitland Bible Institute in Henderson County.

I personally believe the most education being distributed to our Baptist family is from our 3,466 Churches with its total membership of 1,149,916 members.

This tells me that if we are educating and being educated like I believe Christ would have us to be, then I believe we will begin to see a great revival across this great state of ours for our Lord and Saviour Jesus Christ.

We as Baptists should appreciate all the information made available to us through the Periodical reports. Those with which I am familiar are the following:

CHRISTIAN ACTION LEAGUE

REPORT TO THE ASSOCIATION

1985

To call 1985 a banner year for the Christian Action League, it would indeed be an understatement. Let's take a thumbnail sketch of what has occurred.

I. LEGISLATION:

A. Obscenity: The General Assembly enacted into law an obscenity bill that is the culmination of 10 years of consistent effort. Due to the loopholes in our state's obscenity laws, North Carolina has become the nation's "smut" capital because of the large numbers of porno outlets in our state per capita. The newly enacted law consists of the following features:

1. The so-called "adult" book stores (porno shops) are outlawed;
2. Sexually oriented materials such as PLAYBOY, HUSTLER, etc., will have to be placed under the counter or behind the counter with blinders in convenient stores, newsstands, etc.;
3. It provides for the prosecution of cable porn;
4. Penalties for violating the state's obscenity law have been increased from misdemeanors to felonies.

The law becomes effective October 1, 1985, and all complaints should be directed to your district attorney who will have the authority to begin legal proceedings.

B. Alcohol (Liquor-Beer-Wine): The following significant issues were addressed:

1. Drinking Age set at 21 for all alcoholic beverages;
2. "Happy Hours" abolished;
3. A Dram Shop bill passed the House that will be considered by the Senate in the June 1986 session. This proposal will make bartenders, tavern operators, and other retailers liable for damages if a sale is made to an intoxicated person who becomes involved in an alcohol related accident.
4. Legislation increasing the amount of liquor purchases and brown-bagging privileges from 1 gallon to 5 gallons was defeated;
5. Permitting Convention Centers to have brown-bagging went down to defeat;
6. A provision to allow out-of-state corporations convicted of felonies to be granted ABC permits was removed for consideration.
7. Current North Carolina law permanently revokes ABC permits for any establishment convicted of gambling offenses. An effort to repeal that measure was "shot down".

C. Gambling:

1. The statewide lottery act went down to defeat in the Senate with a 24 to 24 tie vote.
2. The "Casino" game bill for non-profit organizations was rejected. This proposal would have allowed casino gambling to get its foot in the front door. Then you would have heard the pitch from the gambling industry: "If you allow non-profit organizations to conduct such games, why not the private sector, and the state can get the revenue."
3. Efforts to liberalize our bingo laws were also turned back. The professionals sought to get their "noses under the tent" after being expelled in the bingo reform law two years ago.

D. Abortion: The state abortion fund was decreased by 1/3 from 1.2 million to $900,000. Yet, North Carolina remains the only state in the Southeast to use state tax funds for medically - unnecessary abortions. The Governor recommended that state tax funds be allowed only for abortions when the mother's life is at stake, rape, or incest. The legislature rejected that proposal but decreased the available funding by 1/3.

II. REFERENDUMS: In the past year, several liquor related votes were held, such as:

A. Jonesville defeated ABC liquor stores along with beer and wine;
B. Asheboro defeated ABC liquor stores, beer, wine, and liquor-by-the-drink;
C. Morganton defeated liquor-by-the-drink;
D. Anson County defeated beer and wine sales;
E. Camden County defeated liquor-by-the-drink;
F. Monroe defeated liquor-by-the-drink;
G. Chatham County defeated liquor-by-the-drink;
H. Nash County defeated liquor-by-the-drink; and
I. Edgecombe County defeated liquor-by-the-drink.

We are grateful to our Lord for the opportunity to apply the Gospel to comtemporary moral and ethical issues. Then, we are grateful to you that uphold the League with your prayers and financial support. You make it possible for us to remain on the firing line for the causes that we share.

Respectfully Submitted,

Coy C. Privette, Executive Director

BAPTIST HOSPITAL

REPORT TO THE ASSOCIATIONS

1985

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344.00.

REPORT TO THE NEW FOUND ASSOCIATION-1985

The Biblical Recorder

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the Biblical Recorder is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are not members...of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The Recorder gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will not be raised for the fourth consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as The Biblical Recorder.

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

The Children's Home Report was given by Bill Cable. He moved that the report be adopted as read and it was seconded by Dan Cable. The report was adopted as read.

Rev. Luther Osment spoke on behalf of the Baptist Children's Homes in North Carolina. He gave examples of the many services that the Baptist Children's Homes provide, such as Consulting Services, Advanced Education, Crisis Intervention, Emergency Care, Foster Care, Maternity Care, Medical Care, and Group Care. He stated that the Baptist Children's Homes serve approximately 4500 people a year, with approximately 1500 children receiving care and other related services. He emphasized that the ministries of the Baptist Children's Homes are for one purpose and that purpose being to provide care and help to neglected children and their families and the victims who need care the most throughout the state.

The Baptist Retirement Homes of NC Report was given by Rev. Matthew Sams. He moved that the report be adopted as read and it was seconded by Stevie Rogers. The report was adopted as read.

Rev. Calvin Knight represented the Baptist Hospitals of NC, and spoke about the successful year the hospital had experienced. One of the most exciting accomplishments of the year was the first heart transplant performed by the hospital. During the past year, the Baptist Hospital has performed over 900 open-heart operations, 2,000 heart catheterizations, 19 kidney transplants, and 2,600 artificial kidney treatments. The hospital also has a new lithotripter or "stone buster" which uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. He stressed how the hospital continues to try to meet the physical, spiritual, and in some cases the financial needs of its patients.

Rev. Bill Brown gave the Associational Missionary Report. He stated that he had traveled approximately 800 miles and visited 9 out of 17 churches in the association. ASSOCIATIONAL MISSIONARY REPORT

1985 - 1986

In the past year I have visited with 8 of the 17 churches in the New Found Association. However, on one occasion it was possible for me to be in a joint meeting with two of the churches in the association, making a total of 9 churches visited.

Some of these visits were brought about because of funeral services. I have assisted in one Bible Study and in one funeral. I have driven approximately 800 miles and received $625.00.

I have visited with over 8 churches which were not members of the New Found Missionary Baptist Association.

EDUCATION REPORT

North Carolina Baptists have long seen the need for Christian education. Biblical truths have inspired the thirst for knowledge and wisdom.

Education begins in the home among the family. Children must be taught at an early age in order to mature to be responsible citizens in an ever changing world. The home must be a place for the acquisition of knowledge. There they should attain values and a foundation on which to build their lives.

Church is another opportunity for the advancement of knowledge. This is the place where the greatest truth of all should be found. Paul said in Acts Chapter 26, Verse 22, "Having therefore obtained help of God", it is possible for God to educate us if we have faith and patience in Him.

With proper values instilled at an early age in the home and in the church, children are more prepared for the public school environment. The public School system affords the individual the opportunity to advance in knowledge and further prepare himself for a productive place in society.

Due in part to the efforts of many concerned Baptists, education can be further advanced on the college Level. North Carolina Baptists actively support five colleges and two universities to afford individuals the opportunity for higher education based on Christian values.

WESTERN AREA REPORT
BAPTIST CHILDREN'S HOMES

The happy news from the west is that the contract has been awarded for the construction of our Moody Farm cottage. The cottage will house nine troubled children. The building site, located in the Iotla Valley of Macon County is spectacularly beautiful. At this writing the footings have been poured and the walls are going up.

Mary Lewis and Gary Bruin, veteran child care workers from the Mills Home staff, have accepted the responsibility of giving leadership as resident directors of the Moody Ministries program.

We would like to express special appreciation for our Western Area child care workers and social workers who serve so faithfully at our Baptist Maternity Home in Asheville, Thermal Belt Baptist Youth Shelter in Forest City, and Broyhill Baptist Children's Home in Clyde/Waynesville. These facilities have operated at near capacity levels throughout the year. Furthermore children served have in the main been those who call for extra measures of strength, wisdom, and love. The words, "Care Finds a Way" truly applies to these wonderful servants of our Lord.

REPORT TO THE NEW FOUND ASSOCIATION--1986

The Biblical Recorder

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The Biblical Recorder is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the Recorder indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Hill Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians--fewer persons in North Carolina are members of any church than are not--and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The Recorder welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the Recorder will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, subscription rates will not be raised for the fifth consecutive year. Many of the other major state Baptist papers such as the Recorder have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

NORTH CAROLINA BAPTIST HOSPITAL

REPORT TO THE ASSOCIATIONS

1986

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 ambulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potasium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist Churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Floyd Waldroup

TEMPERANCE REPORT

Our Lord said in Joshua Chapter 1, "Be strong and of good courage." He said he would be with us and not fail us if we would do according to His laws.

This year many good things have happened to us, and many things we do not appreciate and understand. Is this the fruit of our labor? Have we sown seeds of our labor? Have we sown the seed that pleased God?

Forgive us we pray, oh Lord, and help us to band ourselves together to curb alcohol and drugs of any form that destroys our Christ-like action, remembering we reap what we sow.

I make a move the adoption of this report describing that the churches of our New Found Association bind our efforts and prayers together to help our Christian Action League for the cause of Christ.

BAPTIST RETIREMENT HOMES' REPORT

The Baptist Retirement Homes of North Carolina, Inc. have sought to create a broader awareness of its services across the state because of the increased proportion of adults now 65 or older. The Homes are effectively making themselves known to a greater number of Senior Adults through use of the Biblical Recorder, local newspapers and direct contacts.

The size of the Senior Adult population in the next decade is expected to require expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte, and to the renovation of the campus in Winston-Salem.

With extended long life, the Baptist Retirement Homes look forward to ministering to Senior Adults who will live longer and healthier lives. Additional possibilities such as home delivery of health services are being considered to move beyond the standard services now available.

The following facts highlight a few of the many achievements of the Baptist Retirement Homes from August, 1985 through June, 1986:

Sound financial management again eliminated the need to increase residential fees.

Over $900,000 of benevolent care was provided to residents.

Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided $785,000.

Over 40 new residents were admitted to the Homes and Nursing Care.

Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.

By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

BAPTIST CHILDREN'S HOME REPORT

The Baptist Children's Home was founded in the Year 1885.

Why do we have a Baptist Children's Home? The purpose is to provide care and help to neglected children and their families throughout the state. The Baptist Children's Homes serve approximately 4,500 people a year through a variety of services. Care and related services are provided for approximately 1,500 children each year.

Some of the services available are: Consulting Services, Advance Education, Crisis Intervention, Emergency Care, Foster Care, Maternity Care, Medical Care, and Group Care. Of all these, the Group Care is the first and oldest service. It began in 1885 at Mills Home. Today there are four group care facilities in North Carolina.

The future plans of the Baptist Children's Home is to expand and develop new and better ways to provide assistance in areas of unmet needs.

The Baptist Children's Homes program is supported through Bequest Business Gifts, Capital Gifts, Cooperative Program, Current Support, Foundations, Gifts through Insurance, Industries, Memorial or Honor Gifts, Homes & Hospitals Offering, Real Estate, and Wills.

I would like to encourage all the churches in the New Found Association to support the Baptist Children's Home Program. These children need our prayers and our financial support. What would happen to over 1,500 children a year if the Baptist Children's Home did not exist?

Respectfully Submitted,

Paul B. Cable
Children's Home Representative

MISSIONS REPORT

It is God's will to use churches and the people that make up the bodies of Christ to reach the lost. It is God's will for us to carry His Word or Gospel out to this lost world.

God said in His Word, "Ye are the light of the world, A city that is set on a hill that cannot be hid."

"Neither do men light a candle and put it under a bushel, but on a candlestick and it giveth light unto all that are in the house."

"Let your light so shine before men that they may see your good works and glorify your Father which is in heaven."

As we all well know, John the Baptist came out of the wilderness preaching and saying, "Repent ye for the kingdom of heaven is at hand."

We feel that it is the duty of the church and of its members to tell the world of Christ. We tell the world of his marvelous Love and forgiving Grace. We must let the world know how real He is in our hearts and how wonderful Heaven must be. But we must also let them know there is a Hell to flee.

When we speak of the love of God, we think of the scripture, "For God so loved the world that he gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life." "For God sent not his Son into the world to condemn the world; but that the world through Him might be saved.

CHRISTIAN ACTION LEAGUE OF NC

REPORT TO THE ASSOCIATION

1986

If Christianity is authentic, then, it must be reflected in the daily walk of the followers of Jesus Christ.

Helping Christians to apply the moral demands of the Good News of Jesus Christ remains the top priority of the Christian Action League.

There is much to rejoice about what has occurred in the last 12 months, but it is also a time to renew our efforts for new battles on the horizon.

I. OBSCENITY:

The state's new Comprehensive Obscenity and Child Protection Act has been met with unusual success. Some 12 months ago, law enforcement officials stated that North Carolina had some 750 hard core porno outlets making our state the nation's "smutt" capital. Today, only about 150 remain in operation, and most of these are facing porno charges with court cases pending.

For all practical purposes, convenient stores and other retail establishments have removed sexually oriented publications such as PLAYBOY, HUSTLER, PENTHOUSE, ETC. Others have placed the material behind the counter or behind "blinder" racks where they are not accessible to minors.

Video stores have cleaned their shelves of sexual explicit materials rather than face prosecution.

Cable porn programs like the Playboy Channel have been discontinued in communities such as Hickory, Raleigh, Chapel Hill, Durham etc.

Indictments have been brought against ADAM & EVE - the largest porno distributor in the Southeast, located in Orange County.

The battle is not over for the cause of decency. The pornography industry and its sympathizers are already raising funds and seeking to build support to get our state's new obscenity law "watered down" in the 1987 legislature.

Now faith is the substance of things hoped for,
the evidence of things not seen.
Heb. 11:1 (K.J.)

II. ALCOHOL (Liquor-Beer-Wine):

The League remains the only organization in North Carolina providing assistance to communities involved in sighting our no. addicting drug. Referendums have been defeated in the following areas:

1. Scotland County defeated liquor-by-the-drink;
2. Black Mountain defeated liquor-by-the-drink;
3. Concord defeated liquor-by-the-drink;
4. Manteo defeated liquor-by-the-drink;
5. Rowan County defeated liquor-by-the-drink;
6. Wayne County defeated liquor-by-the-drink;
7. Pasquotank County defeated liquor-by-the-drink;
8. Old Fort defeated liquor-by-the-drink;
9. King defeated an ABC liquor store vote.

These victories were the result of strong, aggressive leadership on the part of caring people.

III. GAMBLING:

In 1987, the church will probably face its strongest challenge yet from the gambling industry.

Pro-lottery forces have already stated that they will be back before the 1987 legislature with an all-out effort to secure a state-wide lottery.

Pari-mutuel gambling forces have now come on the scene. A state-wide organization operating under the name, CAROLINA SPORTS ASSOCIATION, with offices in High Point are pushing this cause. Rufus Edmisten, the state's former Attorney-General, has been employed by the gambling forces to assist in their drive for pari-mutuel gambling. This group is publishing a newspaper, SPORTING JOURNAL, that is being sent to key business and industrial leaders throughout North Carolina to enlist supporters. Fund-raising efforts are also underway. A speaker's bureau has been formed providing programs for civic and community groups on behalf of the gambling cause.

What will be the outcome of both efforts? Basically, the decision will be made in the November, 1986, General Election. If a few more pro-gambling legislators win seats in the legislature, the war is over. In the 1985 session, the lottery went down to defeat with a tie vote. That is how close the issue already is in our state.

Billy Sunday used to say: "The only thing worse than an empty voting booth is an empty head in the voting booth."

The position for the 1987 North Carolina House and Senate candidates on the gambling issues must be obtained and shared with the Christian community so voters will be informed when ballots are marked.

Plato said: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

The Lord's Prayer

Our Father which art in heaven,
Hallowed be Thy name.
Thy kingdom come.
Thy will be done on earth,
As it is in heaven.
Give us this day our daily bread.
And forgive us our debts,
As we forgive our debtors.
And lead us not into temptation,
But deliver us from evil;
For Thine is the kingdom, and the
Power, and the glory, for ever.
Amen

Miss Linda Woody spoke on behalf of the Baptist Children's Homes in North Carolina. She gave examples of the many services that the Baptist Children's Homes provide, such as Consulting Services, Advanced Education, Crisis Intervention, Emergency Care, Foster Care, Maternity Care, Medical Care and Group Care. She also spoke on how the Baptist Children's Homes are projecting long-range plans and surveys to reach and understand the needs of children and their families in North Carolina. She emphasized that the ministries of the Baptist Children's Homes continue to be for one purpose, and that being to provide care and help to neglected children and their families, and for the victims who need care the most throughout the state. Dan Cable moved to adopt the Baptist Children's Home Report given by Miss Woody. It was seconded by Rev. Fred Hunter and adopted as read.

The Baptist Children's Home Representative for the association, Dan Cable gave his report on the Children's Homes. He moved that the report be adopted as read and it was seconded by Floyd Waldroup. The report was adopted as read.

Calvin Knight represented the Baptist Hospitals of NC, and spoke of various examples on how the hospital and its staff are meeting the needs of its patients. He cited three examples as follows: The first example was of a woman who had transferred to the Baptist Hospital from one of the most prominent hospitals in the North. Her condition was very serious because her kidneys and arteries were completely blocked Immediately, Dr. Michael Dean operated and performed a Renal Artery Bypass. The operation was a success and in a few days the patient was gaining strength and could soon go home.

The next example given by Mr. Knight was of an 18 year old man who had been severely burned. The therapy given to such an individual was to soak in a large tank of water, which allowed the water to penetrate the dead skin, thus allowing new skin to form. One day the young man was left in the tank by himself and the hospital's chaplin dropped by to visit him. The young man told the chaplin that his life had no meaning now and what was he going to do with it. The chaplin asked the young man if he knew Jesus as his personal Saviour, and explained how to be saved. The chaplin said he could not think of a more appropriate place for salvation. The young man was not only shedding off the old skin and growing new, but the chaplin was reminded of the scripture of how old things are passed away, and behold all things are new.

The last story Mr. Knight told was of a young man who had contemplated suicide. He had lost his job, his home and was forced to live on food stamps. His wife was expecting a baby, when the young man was injured in an accident. He was faced with tremendous hospital bills and became so depressed that he felt his only way out was to commit suicide. He had even planned the day, time and the location. That day, in the mail, he received a letter from the Baptist Hospital telling him his hospital bills were paid by the funds provided through benevolent care. He was so touched that he changed his mind not to commit suicide and thanked everyone at the hospital and God for caring for him.

Mr. Knight also encouraged and welcomed everyone to visit the Baptist Hospital in Winston-Salem and to tour the facilities.

Rev. Bill Gillespie made a motion to adopt the report given by Calvin Knight on the Baptist Hospital. It was seconded by Dempsie Woody. Rev. Knight's report was adopted.

The next report was given by Mr. Don Taylor, who represented the Christian Action League. He opened by saying how people had become lovers of their own self, more than lovers of God. He encouraged everyone to write their senators and representatives on important issues. He also informed the session of the tremendous victory where the state-wide lottery in North Carolina was defeated. Rev. Bill Gillespie moved to adopt Mr. Taylor's report and it was seconded by Floyd Waldroup. The report was adopted.

Mr. Wade Huey was next to give a report on the Baptist Retirement Homes of NC. He spoke on the needs, the quality care, and the growth of the Retirement Homes in North Carolina. He told of examples of people who visited the homes on a regular basis, which included a group of Mars Hill College students who visit to worship and work with the patients. He also spoke of the prayer meeting held at the Retirement Home in Asheville every Thursday night for the purpose of praying for world evangelism. A motion was made by Rev. Fred Hunter to accept Mr. Huey's report and it was seconded by Rev. Iliff Suggs. The report was adopted.

The Baptist Retirement Homes Representative for the association, Harold Hunter, gave his report next. He moved to adopt the report as read. It was seconded by Dan Cable and adopted as read.

The Baptist Hospital Report was given by Floyd Waldroup. He moved that the report be adopted as read and it was seconded by Rev. Danny Little. The report was adopted as read.

The congregation sang Tis So Sweet To Trust In Jesus while an offering of $85.20 was received. The offering was blessed by Rev. Calvin Knight. The meeting was dismissed in prayer by Rev. Fred Hunter.

Friday, August 14, 1987, 7 p.m. Lower Big Pine Baptist Church

The service began with the congregation singing Heaven's Jubilee. Rev. Danny Little, pastor of Lower Big Pine Baptist Church, welcomed everyone to the meeting. Rev. Little read devotions from Numbers, Chapter 10, Verses 29-36, and spoke on the thought of having a vision so that we might be able to offer people the Lord. Rev. Suggs led an altar

Michael Worley gave the roll call of churches and there were 7 churches represented in the meeting.

The Associational Missionary Report was given by Wilburn Justice. He moved to adopt the report as read and it was seconded by Rev. Fred Hunter. The report was adopted as read.

The Education Report was given by Mike Freeman. He moved that the report be adopted as read and it was seconded by Dan Cable. The report was adopted as read.

The Temporance Report was given by Rev. Iliff Suggs. He quoted Proverbs, Chapter 20, Verse 1: "Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise." He also spoke of how we must labor together in the vineyard of the Lord. He moved that the report be adopted as read. It was seconded by Alan Payne and the report was adopted as read.

The Moderator read a report from The Biblical Recorder. Rev. Bill Gillespie moved to accept the report and publish it in the minutes. The move was seconded by Alan Payne and adopted.

Rev. Bill Gillespie moved to hear a report on the North Carolina General Board of the Baptist State Convention. Floyd Waldroup seconded the motion. The report was given by the moderator. Dan Cable moved to adopt the report as read. It was seconded by Alan Payne and was adopted as read.

The Periodical Report was given by Rev. Danny Little in Rev. Frank Willett's place, who was unable to attend. Rev. Little moved to adopt the report as read and it was seconded by Floyd Waldroup. The report was adopted as read.

The State of the Churches Report was given by the Clerk. He moved the report be adopted as read and it was seconded by Rev. Garry Rogers. The report was adopted as read. The Clerk also gave the Memorial Report and moved that it be adopted as read. It was seconded by Rev. Danny Little and adopted as read. A moment of silence was observed for the deceased loved ones and prayer was given for the bereaved friends and loved ones.

The Time Place Preacher Report was given by Stevie Rogers. He moved that the report be adopted as read. It was seconded by Alan Payne. The report was adopted.

There was a brief intermission.

The floor was opened for new business. The session voted to continue the annual associational picnic on the third Saturday in May, beginning at 11:00.

There was a discussion on how to encourage more participation from all the churches in the association at the annual meetings. Rev. Bill Gillespie encouraged each pastor to inform their church of the meeting and encourage them to attend. Rev. Danny Little suggested having the annual meetings at the churches that were not regularly attending, in hopes that this would encourage participation. Mr. Dempsie Woody suggested that the associational missionary ask the churches that he visits to attend and tell them about the good spirit experienced at the associational meetings. Rev. Iliff Suggs agreed with Mr. Woody's suggestion. Mr. Wilburn Justice, Associational Missionary, said that he would be happy to encourage each and every one that he could.

The evening message was brought by Rev. Garry Rogers. He read from I Corinthians, Chapter 12, Verses 12-31, and preached on the thought of the unification of the Body of Christ.

The congregation sang Amazing Grace while an offering of $43.15 was received. There was a motion that the meeting be adjourned by Floyd Waldroup and it was seconded by Alan Payne. The meeting was dismissed in prayer by Rev. Bill Brown.

EDUCATION REPORT

Education is a part of life we cannot ignore. It must move forward with man and this ever-changing society.

We now have six colleges and universities: Campbell University began its 100th year of academic service January 5, 1986. It also graduated its largest class of 886 graduates. Campbell has graduated one of the largest, if not the largest number of teachers of any of the 38 private colleges in North Carolina.

Chowan College completed its 138th academic year in 1986. Total enrollment statistics for 1985-86 fall semester were 963 students and 820 for the spring semester.

Gardner-Webb College in May, 1986, had a graduating class of 337, which was the largest in its history. Gardner-Webb is starting its 81st year. The college is accreditated by the National League of Nursing, with a bachelor's degree in its nursing program.

Mars Hill College has the largest number of graduates attending Southern Baptist's Theological Seminars each year. Two or three students serve as Missionary Journeymen, under the direction of the Foreign Mission Board.

Meredith College in its 95th year still affirms the long history of providing the best education for women. It is the largest private four year college for women in the southeast, with an enrollment of approximately 1,850 and a graduating class of 170.

At Wingate College in 1985-86, 95 students were preparing for vocations in Christian Ministry, and 255 students were awarded degrees.

The education that college and universities offer are much closer than we think. All teachers, nurses, ministers, and business men have a great deal to do with tomorrow and the future of our christian morals, our children, and what they will meet in their lives. Education is not something someone gives you; you must have the incentive to strive to better yourself and your children's lives. Also, we need to encourage each child to achieve the goal they set for themselves and to master it.

BAPTIST CHILDREN'S HOMES

In Saint Mark's Gospel, Chapter 10, Verse 14, we find where Jesus said, "Suffer the little children to come unto me." I think Jesus was trying to teach us in this scripture that children should not be pushed aside and thought of as insignificant. But that they are important and deserving of our attention. I am glad to report that the Baptist Children's Homes are carrying on the work that Christ taught us was so important. And I believe the Baptist Children's Homes are deserving of our support and prayers.

I visited the Broyhill Home in Clyde unannounced. I was welcomed and invited to tour one of the units. I was amazed that each unit could care for twelve children. Also that these children have had such tramatic backgrounds and bad home surroundings. I feel that because their backgrounds have been so hard, they deserve the best care they can get. I'm glad to report that they are getting it at Broyhill.

I was so touched to learn of the good work they do at Broyhill. It was amazing how they even take the kids to church on Sunday, Sunday night, and Wednesday night. There is so much to say, but the best way to find out about Baptist Children's Homes is to visit one yourself.

REPORT TO THE NEW FOUND ASSOCIATION--1987

The Biblical Recorder

There's good news and bad news!
The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the Biblical Recorder!

The state Baptist paper for North Carolina always tries to tell it like it is--the good, the bad, the victories and the warts--with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, some uninformed. The Recorder tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunites and victories within our fellowship. The paper is a bargain--only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the Recorder comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the Recorder directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

NORTH CAROLINA BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1987

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for man victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. In addition, the department, in cooperation with the Baptist State Convention, has offered the "Pastor's Sabbath" Program at Caraway Conference Center and has provided assistance to more than 100 pastors and their families through the Minister's Care Plan. Plans are being made to offer training in "Conflict Management," "Healing of Corporate Pain," and "Ministry to the Interim Church."

Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662.00. Cooperative Program gifts to the hospital during the same fiscal year was $608,389.00, making our total receipts from the churches $1,083,051.00.

For these gifts and for all other continuing support and help from the Baptist Churches, the hospital trustees, staff and patients are deeply grateful.

Respectfully Submitted,

Floyd Waldroup
Baptist Hospital Representative

TEMPERANCE REPORT

Proverbs 20:1. Wine is a mocker, strong drink is raging. And whosoever is deceived thereby is not wise.

God is blessing every effort put forth and much good has been done for this. We offer our thanks.

Brother Don Taylor did express our need and told of the progress being accomplished. By putting our efforts together, we can have victory through Christ, who will strengthen us, and supply our needs.

Rev. Iliff Suggs

Every day I will bless thee, and praise thy name for ever and ever. Great is the Lord, and greatly to be praised, and his greatness is unsearchable. Psa. 145: 2,3 (K.J.)

BAPTIST RETIREMENT HOMES' REPORT

The Baptist Retirement Homes of North Carolina continue to grow. Each year more things are added to the present homes, and studies for others continue.

The senior citizen population continues to grow at a rate faster than the health care facilities can provide care for them.

The Baptist Retirement Homes have made every effort to keep costs down, and to provide care for as many as they possibly can.

One thing I hear quite often is there should be more places where a man and his wife can live together in retirement. This is being looked into by the Baptist Retirement Homes.

The people at the Baptist Retirement Homes have very good care. They are never farther than a button away from help. They have many things to do, and things to make with their time.

With each and everyone's help and with continued good management, we hope there will be room for each and every senior citizen that wishes to live in a retirement home.

Respectfully Submitted,

Harold Hunter
Baptist Retirement Homes Representative

GENERAL BOARD REPORT

It has been a distinct pleasure of mine to have the priviledge to serve a four year term on the General Board of the Baptist State Convention of North Carolina, as a representative of the New Found Missionary Baptist Association. During this period I have served one year on the Youth and Campus Ministries committee. I have served three years on the Council of Christian Social Services and on a sub-committee of that council for the Homes and Hospital offering for 1988. I have served the General Board with only two absenses in the four year period. It has been a very educational experience as well as a blessing in many ways. Seeing firt hand the operation of our convention and many of its agencies has given me an appreciation for our convention work that I did not have previously. I wish my successor the same blessings that I received and many more.

Yours Truly in Christ,

Rev. Garry L. Rogers

The Southern Baptists provides these magazines and literature to aid the churches and pastors on the world-wide events happening in the Baptist organization. These are some that I have received in the past year.

1. SBC Today. A national publication of news and opinions for southern baptists.
2. Charity & Children. Baptist Children's Home of NC.
3. Facts & Trends. Advance News.
4. The Baptist Program.
5. The Commission. Foreign Mission Board.
6. WORLD. (Bimi).
7. The Years Ahead. (Minister's Issue).
8. Pastor's Monthly Mailing.

We thank the Southern Baptists for this literature. It has been helpful to us. But our greatest help comes from the Lord and His Holy Word.

Psalms 121: 1-2. "I will lift up mine eyes unto the hills, from whence cometh my help."
"My help cometh from the Lord, which made heaven and earth."

There is an old saying, "When Baptists know, Baptists will do.
ere is also an old saying, "Tell the truth and trust the people."
e Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever efore that Baptists be well informed which is not easy in an ge that is complex, busy and competitive. But we must never rsake the ideal.

Baptists, like the population in general, are watching more elevision and listening to more radio than they are reading. omehow it just seems easier to watch and listen than read and ink, but we must be informed and involved in the work of the ord as Baptists do it....if we are to make progress.

For 155 years, the Baptist paper in North Carolina has ssued a call to greater missions and greater commitment to the ommission of our Lord to win, teach and baptize persons.

As the Recorder informs, it also gives opportunity for Baptis o freely exchange points of view. Baptists do not have a ierarchial form of church government and operation. Every person s important and opinions are valid in direct proportion to he accuracy of information upon which they are based. emocracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in aptist ranks, stability can be maintained only when good and incere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read he paper each week at the lowest possible cost, there will be o increase in subscription rates for 1988. If your church does ot have the Every Family Plan, please consider it for 1989; the ost is only $5.00 per subscription for the year. Special ntroductory offers are available. Please contact:

1988

Perhaps the word which best sums up the past year at Baptist
spital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine
still in the midst of the largest health related expansion progr
er in North Carolina. The $140 million project has seen the
mpletion of a four-story MRI building, the completion of a six-
ory addition to its research building, the completion of an
dition to the power plant, completion of additional parking space
e near completion of a fifteen-story patient tower, and the begin
ng of a new clinical services building.

New programs in health care, initiated in recent months, inclu
e Brenner Children's Hospital, the Sticht Center on Aging, a new
nd center, ligament transplants, new methods of treating certain
pes of cancer, new procedures for helping patients with heart
oblems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget
s been $181 million. Total personnel is over 3,800. There were
,085 patient admissions for a total of 196,554 patient care days.
me 13,680 surgical procedures were performed including 1,022
en heart operations and 32 kidney transplants. There were
2,907 radiological procedures, 4,401,552 clinical laboratory
sts, 14,500 chemotherapy treatments, 833 lithotripsy treatments,
d 480 Air Care missions.

The Department of Pastoral Care continues its ministries to:
e patient in the hospital; the family and friends of patients;
e medical staff who minister to the patient; the person
questing counseling in our centers in Winston-Salem, Fayetteville
rganton, Charlotte, Rockingham, North Wilkesboro; the ministers
o seek our courses in clinical instruction, equipping them for
ecialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church"
ograms. . .as we work closely with the North Carolina Baptist
tate Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our
dical Center and reaching around the world, is the ministry
which we make renewed commitment.

variety of programs are being implemented
tract and hold needed staff members. Among these are: a day
re center for children of employees, wage and salary adjustments,
ekend shift differential, weekend options program, case
nagement concept, and a loan/scholarship program for students
eparing for health care careers.

In January Dr. John Lynch, who had been president of the hospita
r more than seventeen years, submitted his resignation. The truste
ve appointed a Search Committee which is seeking his successor. Mr
n B. Preslar, Jr., who for many years has been vice-president
r Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062
rough the Cooperative Program and $290,585 through the Homes and
spital Offering. The trustees, staff and patients are all
xtremely grateful for this financial support.

The Baptist Retirement Homes of North Carolina have a great sk before them in trying to provide good health care for as many our elderly citizens as they can.

Here are some of the things they are doing. The homes began in 51 to provide a home for the aged. The homes and ministry put ove all else the good quality and care in their homes. The nes operate four separate homes and a multi-level care facility Winston-Salem which meets the needs of older adults across e state. The homes offer independent living in an apartment tting, and also care for those who need help with their daily ving and two levels of nursing care.

In January the office of state budget said citizens age 65 d over will increase by 203,935 by 1995, a 28.9% increase, d 286,831, a 40.6% by the year 2000.

With the help of God, the homes, and all of us, I hope every der citizen will be taken care of.

I know, trust and believe that it is the Lord's will, that we re a part of this association. For example, in Luke, Chapter 14, Verse 23:

> "And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled."

Also in Matthew, Chapter 28, Verses 19-20:

> "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost.
>
> "Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen."

Missionaries are effective. Some 203,824 persons were baptized professing faith in Jesus Christ in countries served by the Southern Baptist Missionaries in 1987.

Over 7600 missionaries share their faith and minister to many other persons in the name of Jesus Christ here in America and in 112 countries around the world.

Our missions are our responsibility. We need to spread the truth to more people and countries and also to support the mission's progress. The way to do this is through gifts, and most of all with our prayers.

The Baptist Hospital Representative for the Association, Troy Harrison, gave his report. He moved that the report be adopted as read and it was seconded by DeWayne Brown. The report was adopted as read.

Calvin Knight from Baptist Hospital spoke on the ever-changing levels and needs of care for patients today, and how Baptist Hospital continues the healing ministry. The mission of the Baptist Hospital began about 70 years ago, when several Baptist leaders came together and decided to start a healing ministry that God was in. In 1923, their dream was fulfilled. A single building was built with only 80 beds, few employees and a small budget......and has now grown to more than an 800 bed facility, 5,000 employees and budget expenditures of over $1,000,000 every 30 hours.

Care has also changed with the times. The hospital's major surgeries used to be for broken bones, tonsils and delivering babies, but today care has advanced to include: Bone marrow transplants for leukemia patients; Single lung transplants; New Lasor Technology to unclog arteries in the neck, which prevents the risk of stroke to patients; and Cerebral Palsy Treatment for Children.

Mr. Knight shared examples of blessings that he had witnessed over the past year. He spoke of a woman who had a detached retina and was unable to see for over forty years. But with corrective surgery, she could now see her children and grandchildren again. He spoke of patients who had successful bone marrow transplants and who were now leading normal lives.

Even with all the technological advancements, Mr. Knight said there is still no substitute for the dedicated Christian ministry to patients. Mr. Knight gave several examples of this ministry:

Debbie was a patient recovering from surgery, who had no relatives or family close to the hospital who could help her with personal and daily needs. However, one of the hospital's secretaries came into Debbie's room and asked if she could help her by taking Debbie's clothes home with her and washing, drying and ironing them. The secretary received Debbie's permission and performed this extra special favor for Debbie, bringing her fresh, clean clothes back the next morning.

There was also an elderly gentlemen with cancer. The doctor came in one morning to check on his patient and through their conversation together found out the elderly man was going to celebrate his 50th wedding anniversary on Saturday. However, his family would be unable to come and see him on that particular Saturday. On that Saturday, the man's doctor, the doctor's wife and daughter brought a beautiful cake and help this man celebrate his 50th wedding anniversary

Mr. Knight continued to give examples of the ministry of meeting the needs of patients, with that personal touch of love and warmth to many of the everyday needs that sometimes get quite often overlooked. But far above the personal needs of the patient, there is a spiritual need. This spiritual ministry is carried on by engineers, nurses, doctors, surgeons and employees at the hospital who have prayer and share their testimonies with the patients. Most of the work is done by the hospital chaplins, which led Mr. Knight to speak of another miracle:

There was a lady who had suffered for a long time with cancer in the hospital. The doctor made his rounds this particular morning, and saw that her condition had worsened and it appeared that it wouldn't be long before she would die. The doctor observed her family with her and sensed a feeling of fear and restlessness, so he called the chaplin and asked him to come to this lady's room. When the chaplin arrived, he found the lady's daughter whispering to her mother, who was seemingly unconscious. The chaplin watched as the daughter confessed to her mother how sorry she was for all the heartaches and trouble she had caused her mother and how she loved her. The daughter holding her mother's hand felt a small squeeze on her hand. The chaplin asked if he could read some scripture from God's Word and have prayer with the family. They gave their consent and the chaplin read scripture from the book of Psalms and then prayed. Next, one of the family members began singing "Amazing Grace," and all the family joined in. Suddenly, their mother opened her eyes, smiled, and then left this world. The chaplin went to minister to this family, but God ministered to him. Mr. Knight asked for the prayers of God's people for the Baptist Hospital's ministry.

There was a brief intermission. The ladies of Zion Baptist Church provided the session with an assortment of refreshments during the recess. Rev. Ricky Townsend blessed the meal with a prayer. Everyone enjoyed the sweet fellowship and the goodness of God.

The next report after the recess was the Periodical Report. It was given by DeWayne Brown, who moved that the report be adopted as read. It was seconded by Mike Freeman and adopted as read.

The Education Report was also given by DeWayne Brown. He moved that the report be adopted as read and it was seconded by Troy Harrison. The report was adopted as read.

The Associational Missionary Report was given by Rev. Frank Willett. He moved the report be adopted as read and it was seconded by Floyd Waldroup. The report was adopted as read.

Mr. Johnny Ross spoke on behalf of the CARE Program. CARE stands for Convention Associational Relationship Enhancement. Mr. Ross went on to explain more about the program. He quoted the scripture found in I Corinthians, Chapter 3, Verse 9: "For we are labourers together with God: ye are God's husbandary, ye are God's building." He told of how each labourer, whether they be in a church, association, convention or even larger group, made up the church of Jesus Christ. Also, how we as co-labourers rejoiced to hear the wonderful news of the working of Jesus Christ in our churches, associations, conventions and around the world.

Mr. Ross also spoke of the Cooperative Program. The Cooperative Program is the plan through which Southern Baptists support the ministries they are doing together. The Cooperative Program is the way one church puts its money together with the money from other churches to share in all of the Southern Baptist programs of witnessing teaching, healing, and preaching in the United States and throughout the world.

The Cooperative Program is a partnership between churches, state conventions, and the Southern Baptist Convention. While churches carry on their work locally, they also support many other ministries for Christ in their communities, and around the world through the Cooperative Program.

Mr. Ross also gave the distribution of funds through the Cooperative Program for 1990. The total basic mission program and budget for 1990 was $28,300,000. The following represents a dollar and percentage breakdown of the budget: A. Southern Baptist Convention $9,585,000 or 35.17%; B. Christian Higher Education $5,948,675 or 21.83%; C. Christian Social Services $2,746,800 or 10.08%; D. Convention and General Board $8,425,700 or 30.92%; and E. Convention Special $543,825 or 2.00%. Also, the total funds for North Carolina ministries was $17,665,000 or 64.83%.

Before closing, Mr. Ross also gave his telephone number for any questions or concerns that he might be of help with at a later time. His number is 1-800-395-5102. He asked that our association of churches remember to pray for all the ministries supported through the Cooperative Program-for those who lead these ministries and for those who are reached by them.

Mr. Fred Lunsford attended the session to talk of the Church Growth Multiplier Program. He had served as the Director of Missions for NC for 26 years before he started working with the Church Growth Multiplier Program. The area assigned to him included the New Found Association, Avery, Mitchell, and Yancey Associations, just to name a few. Mr. Lunsford went on to explain just what the program was all about. The Church Growth Multiplier Program is a new approach to enhancing church growth. Some of the approaches used are as follows:

*Help start Sunday School (new units of work), Discipleship Training, Woman's Missionary Union in churches where one or more of these organizations does not exit.

*Strengthen existing work.

*Encourage/assist associational Sunday School, Discipleship Training, Woman's Missionary Union leaders.

*Serve as a contact/liaison between church, association, and state.

*Help churches discover needs.

*Promote teamwork.

*Encourage quality leadership in churches through programs of training.

*Help churches to report progress numerically and qualitatively.

*A new approach to enhance church growth.

Mr. Lunsford spoke of the Church Growth Multiplier Theme, quoting from Acts, Chapter 1, Verse 8: "But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." He also quoted the verse Mr. Ross gave from I Corinthians, Chapter 3, Verse 9: "For we are labourers together with God." Mr. Lunsford went on to say as Baptist's, we look at each other...we should go out into the highways and hedges and compel the lost to come in....so their blood will not be required at our hands. That is our mission as labourers for Christ.

He told of how the Lord saved him. First, he spoke of his sainted Grandma who prayed without ceasing. He always tried to do everything Grandma asked him to do, including all the chores around the house-milking the cows, sloping the hogs and feeding the chickens. But when Grandma asked him to go to church, he was quick to reply NO! Grandma went on to church that night and after she left, I became so afraid of what would happen to me if I were to die. Grandma returned home later that night and told me revival services started at the church that night and she wanted me to go with her the next night. It didn't take me long to tell her I would go with her.

We arrived at the church that night for revival services. When the preacher got up to preach, it seemed he was looking straight at me, and I believed he preached for about two hours. When he gave the altar call, I ran to the mourner's bench, cause I knew God was speaking to my soul to be saved. Because someone cared for me, Grandma and most of all Jesus Christ, I became a child of the king that night.

He told of what an influence his Grandma had upon his life. She would pray everyday and even though Grandma couldn't read or write, she would put her offering in the church plate every Sunday, so she could help put food on orphans tables and help others. Mr. Lunsford thanked the Lord for his Grandma's influence upon his life and hoped he might be only half the saint his Grandmother was. He even recalled how his Grandma prayed for his father, who was a bootlegger. Grandma would pray in the cornfield, the barn and just whereever the Lord impressed her to pray. Today, his Dad is saved and baptized, and living at the age of 90. So, Mr. Lunsford knows what prayer can do.

Mr. Lunsford closed saying he was available to help develop a training program in any church that needed his service. He had a big named job without a salary. He said the cost of his service was only that he received. He encouraged each one at the session to be faithful to God in the "Labor of Love."

The congregation sang the song An Old Account Settled while an offering of $118.00 was received. Floyd Waldroup blessed the offering.

There were many good testimonies given after the offering.

Rev. Frank Willett asked the churches to pray that he might do more for the Lord, both physically and spiritually on a daily basis. Also, if he could be of help to anyone, please call upon him.

Troy Harrison thanked the Lord for saving his soul and requested prayer for the association.

Floyd Waldroup thanked the Lord for the wonderful spirit and meeting He invited everyone to come back, and Zion Baptist Church would be sure to treat you like somebody.

Mr. Fred Lunsford again thanked everyone and praised the Lord for letting him be with the New Found Association at their meeting.

Mike Freeman had a special prayer request and asked the church to remember him that he might get closer to the Lord and to do the Lord's will.

Larry Cordell also thanked the Lord for salvation and for the mercy of God.

The meeting was dismissed in prayer by Rev. Bill Brown.

Friday, August 17, 1990, 7 p.m. Antioch Baptist Church

The service began with Rev. Terry Sprouse welcoming everyone to Antioch Baptist Church and to the meeting of the New Found Missionary Baptist Association. Mr. Jerry Bailey led the congregation in singing the beautiful songs I've Never Been Sorry, I'd Like To Talk It Over With Him and Amazing Grace. Rev. Garry Rogers read devotions and there was an altar prayer.

Michael Worley gave the roll call of churches and there were five churches represented in the meeting.

Next, the clerk gave the State of Churches and Ministers Report. He moved that the report be adopted as read. The report was seconded by Floyd Waldroup and adopted as read.

The Memorial Report was also given by the Clerk, Michael Worley. There was a moment of silence observed as the congregation stood to it's feet. Rev. Garry Rogers led a prayer on behalf of the many loved ones who had lost members so dearly loved. The report was adopted as read.

Mr. Barry Emerson, representing NC Baptist Children's Homes, spoke on the everyday life of foster-parents at Broyhill Children's Home, where he and his wife are foster or house parents. He spoke of one example showing what a difficult, but yet rewarding undertaking he and his wife were in. There was one girl who had been at the children's home for eight years. She had been placed in many foster homes over the period of three years. Her father had died and her mother threw her out of their home. Now she is in Mr. & Mrs. Emerson's care. He spoke of how difficult it was for this child to trust anyone, after being hurt so many times. But because of people, like those attending the session, with the prayers and money sent to make this care possible, they were beginning to build the trust of this girl. Sometimes, this girl has even been able to share a hug with her house parents. But according to Mr. Emerson, even more rewarding than a hug, he had witnessed the salvation of this girl's soul-which was an eternal blessing, which could never be taken away.

He extended an invitation to anyone and everyone to come by and visit the Broyhill Children's Home. He closed quoting the scripture found in Matthew, Chapter 18, Verses 3-6, where Jesus said: "Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven." "Whosoever therefore shall humble himself as this little child, the same is greatest in the kingdom of heaven." "And whoso shall receive one such little child in my name receiveth me." "But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea."

The floor was opened for new business at this time. There was no new business to come before the session at this time.

There was a brief intermission.

The Place and Preacher Report for 1991 was given by Floyd Waldroup after the intermission. He reported that the New Found Missionary Baptist Association would hold it's annual meetings for 1991 with Lower Big Pine Baptist Church on Thursday, August 15, 1991, and with Bear Creek Baptist Church on Friday, August 16, 1991, beginning at 7:00 p.m. He moved that the report be adopted as read. It was seconded by Rev. Frank Willett and the report was adopted as read.

The Baptist Children's Home Report was given by the clerk, Michael Worley, in Tony Sutton's place, who was unable to attend the meeting. He moved that the report be adopted as read. It was seconded by Rev. Frank Willett and adopted as read.

The evening message was brought by Rev. Bill Brown, in Rev. Earl Cole's absence. Rev. Brown read from the following scriptures: John, Chapter 1, Verses 6-14, and Verses 20-24; and John, Chapter 2, Verses 23-25. The Lord spoke mightily through Rev. Brown on the thought "Who are thou? that we may give an answer to them that sent us." He preached on how God's children are a witness of the True Light-Jesus Christ, and just what kind of light are we as God's children before those who are in a world of darkness.

The congregation sang the song I Never Shall Forget The Day, while an offering of $54.00 was received. Rev. Terry Sprouse blessed the offering.

The meeting was adjourned when Floyd Waldroup dismissed in prayer.

ASSOCIATIONAL MISSIONARY REPORT

1989 - 1990

Titus 2:11 "For the grace of God that bringeth salvation hath appeared to all men."

As Director of Missions in the past year, I have enjoyed being in the churches I have visited. All pastors and their congregations made my wife and I feel very welcome, even as if we were in our home church. Looking back over the past few months and looking forward to the future, I feel the need to do more in trying to reach the lost in all of our communities. I hope in some way I have been a help to our pastors and churches.

I have visited nine different churches in the New Found Association and a total of nineteen visits in all. I have traveled approximately 3,296 miles and received total offerings of $234.00.

Also, I have visited nine churches outside of our association traveling 328 miles and receiving $166.00 in offerings. This mileage includes home visits, hospital visits, revival meetings, etc. The greatest report of all I have witnessed two souls saved and several rededications. PRAISE the name of JESUS, for HE'S due it all! Thanks to him and all of you for your prayers and financial support.

Isaiah 59:1 "Behold, the Lord's hand is not shortened, that it cannot save; neither his ear heavy, that it cannot hear."

Romans 10:13-15 "For whosoever shall call upon the name of the Lord shall be saved."

"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?"

"And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!"

Shall we all say as Isaiah did in Chapter 6:8 "Here am I, Send Me."

EDUCATION REPORT

Education has been defined as the process of promoting the mental or moral growth of individuals. The seven colleges and universities supported by the Baptist Convention have the responsibility of promoting the growth of our youth through their educational programs. According to the most recent figures available (School Year 1988-89), 16,940 students were enrolled in these college level programs. Enrollment by school and the graduates for May 1989 are as follows:

Cambell University - 103rd Academic Year
Enrollment 4,107
Graduates 603

Chowan College - 141st Academic Year
Enrollment 1,054
Graduates 156

Gardner-Webb College - 84th Academic Year
Enrollment 1,690
Graduates 468

Mars Hill College
Enrollment 1,246
Graduates 204

Meredith College - 99th Academic Year
Enrollment 1,924
Graduates 479

Wake Forest University
Enrollment 5,373
Graduates 1,349

Wingate College
Enrollment 1,546
Graduates 250

The youth of today are the leaders of tomorrow. The education that these youth receive at home, in church, and in our schools will determine the type leaders that they will become. We are very pleased that nearly seventeen thousand youth were exposed to college instruction at facilities that we, members of the Baptist Association, supported.

BAPTIST CHILDREN'S HOME REPORT

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that emcompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promis that stretches beyond the future to wrap children and families with eternal blessings.

REPORT TO THE NEW FOUND ASSOCIATION--1990

THE BIBLICAL RECORDER

We need your help!

Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or a lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

A MEMORIAL IN HONOR OF REV. CECIL BANKS

Rev. Cecil Banks was pastor of Lusk Chapel Baptist Church from August 7, 1988 until November 4, 1989.

With his pen in his hand, his Bible in the other and the love of God in his heart, he stood before us with a heavily burdened heart for the lost people in our community, his fellow employees, and his family. He told us about God's promises and love for us, and every Sunday he told us how much he and Helen loved us.

We believe Preacher Cecil's testimony he would want to leave behind is: "I Want Us To Be Together In Heaven" and the Scripture he quoted just about every Sunday: II Chronicles 7:14 "If my people, which are called by my name, shall humble themselves, and pray and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

In Loving Memory,

Lusk Chapel Baptist Church

PERIODICAL REPORT

As Christians, we live in a world that is seemingly less aware of the Lord than ever. It is nothing new to hear bad news; Wars, Rumors of Wars, the Crime Rate, Drugs in our Schools; the list is long and troublesome. But, we as Baptists, can read some good news as well.

Most all of the articles presented in the Southern Baptist Periodicals tell of the blessings of the Lord toward numerous people. These periodicals include: The Biblical Recorder, Missions U.S.A., Topics, Charity and Children, and Facts and Trends.

These periodicals cover topics such as State missions, disaster relief, education, health, family, revivals, foreign missions, Baptist hospitals, care for the aging, care for the homeless children, and the Cooperative Program. It seems that each article has some good news to tell, and tells of how that God is using the facilities provided by Baptists to touch and bless many lives.

These periodicals allow us to see that our prayers and offerings are accomplishing something for the Lord. We should always strive to see that others less fortunate than we are, could be helped, and that the good news of God is continued to be told.

BAPTIST RETIREMENT HOMES REPORT

The 39th year of the Baptist Retirement Home facility in Asheville presently finds this facility with 47 residents at the retirement level of care. The Home is applying to the state for a 60 bed nursing care unit. The only center that provides nursing care to the ill residents is located in Winston-Salem. The center will know the decision of this new service of nursing care by the end of 1990.

A typical week for the residents begins with: Monday, a trip to the mall; Tuesday, Community groups take residents on a trip to town; Wednesday, Morning: Residents get together for a worship service a 10:00 a.m.; Thursday, Residents have their own prayer meeting at 4:00 p.m. Residents are picked up by vans from local churches on Sunday to attend services.

The residents are allowed to be as independent as their needs permit. Alot of these residents have been at the retirement home for over 10 years. This is their home. When they become ill, they must be sent to Winston-Salem to the Baptist Nursing Hospital.

If at all possible, the new 60 bed unit addition to the retirement home here in Asheville, NC, should be supported as much as possible with our prayers and our financial help. Certainly, without a doubt we will all see the world with a greater appreciation of what we do today, that makes tomorrow even better.

NORTH CAROLINA BAPTIST HOSPITAL

REPORT TO THE ASSOCIATIONS

1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession... One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.
